

EnergyBiz® Leadership Forum

Insert your voice into the conversation at the industry's premier leadership event.

The EnergyBiz Leadership Forum is truly a one-of-a-kind event, giving you a seat at the table with industry leaders and enabling you to join in the conversation as the pressing topics of energy's future are debated. Each year, the Forum attracts an esteemed audience of C-level executives, policy makers, regulators and other notable figures from industry and government.

As a sponsor, you can enjoy significant benefits not available to anyone in the industry, including:

- » An opportunity to expose your organization and brand to the **industry's most influential decision makers.**
- » A platform for engaging **leading thinkers in direct dialogue.**
- » A chance for **peer-to-peer networking** with a gathering of exclusive attendees.
- » **Participation on formative issues** shaping energy during Q&A sessions, panels and presentations.

Audience Reach

As you can see in this graph, the EnergyBiz Leadership Forum is heavily attended by major influencers in the industry who are intent on tackling the formative issues impacting energy. **Sponsorship opportunities are available in all price ranges, so contact your Account Executive for more information or visit www.energybizforum.com.**
